COVERIS SILAGE FILM

Available in black, green and clear

Coveris Flexibles Austria GmbH is a leading manufacturer of high quality plastic films and with Unterland Extra Plus. Coveris can offer the agricultural sector a high end film for the wrapping of silage bales. Advantages for the user:

Easy handling of silage bales = efficiency

By using the latest technology and market leading polymers this agri-stretch film is produced with a special finish which makes handling of bales efficient.

Less residue on stretch unit = speed

The new one-sided gluing system reduces residue on the stretch unit and therefore allows for perfect pre-stretching. With no glue on the rollers, the wrapping machine will operate with maximum efficiency.

AGRONOMY

We stock agro-chemicals at all our branches and specialist advice is available from our agronomists Imogen Ward and Duncan Alan. (contact details on back page)

SOUTH WEST SHEEP EVENT

20 June 2017

**Ayshford, Westleigh, Tiverton,
Devon, EX16 7HL**

National Sheep Association (NSA) is an organisation that represents the views and interests of sheep producers throughout the UK. It is funded by its membership of sheep farmers and its activities involve every aspect of the sheep industry. By kind permission of David and Janet Disney, we have a stand and look forward to seeing you there!
